The finest Indie gospel-artist from NC, SC Southern Virginia are right here on The NCGAG Project. Order yours today and let the Lord touch you. 17 MP3 Songs URBAN/R&B: Soul, GOSPEL: Contemporary Gospel Details: What's up Everybody! This is Frank Morrison-Henderson and I would like to introduce to the entire world what I feel are the "hottest" Independent Gospel artist in the nation. Any of these artist could've by now been signed to a major label, BUT we all came together to do a new thing with the blessing of Pastor Arvetra Jones, Jr., President of the North Carolian Gospel Announcer's Guild. " I emphatically believe in these artist and this project. The selection process for this compilation left no stones unturned and we have what we believe to be history in the making with this compilation. We're glad to introduce this project to the CDBaby Family" states Pastor Jones. The artist on this compilation are already making great strides and joint venturing with the NCGAG and it's pioneering spirit will prove to be a new way of doing things in the music industry. From track 1 to track 17 you will enjoy the moving, uplifting, hand clapping, foot stomping sounds of artist like Warren Caldwell, Shontae, Anthony Jones and the UWF Mass Choir....Be sure to check out the up and comers like Mr. Johnnie Foster and CinSier yall with that Chicago style "Goodtime". Of course some industry sophmores are in the mix as well and still giving it to the people like the champions that they are. Kim Person, Brotha2Brotha and Frank Morrison-Henderson are already known to the CD Baby Family and will NOT let you down here. Mercy and Grace round out the project from Nation of Praise featuring Mr. Jaye Nixon on leadz, a former Savoy records artist. THIS ALBUM IS SIMPLY A NEEDLE DROP!
