Smooth is the word often used to describe this trip from new school to old school R B. 15 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: R&B Pop Crossover Details: Offering a unique style in today's R&B, Victor's smooth delivery will give you a soulful experience. Music has always been a part of his life. Gaining inspiration from his great grandfather, a jazz musician, his grandfather, a classical pianist, and his father, a Doo-Wop singer, this fourth generation musician is taking R&B back to its essence. His musical journey, however, has not been easy. Faced with many set backs and many uphill battles, his dream often times seemed unattainable. But, he continued to press forward. When he wasn't writing and playing for other artists, he diligently created his own works of musical art. The culmination of years of hard work, sweat and tears is VICTOR. It was definitely worth it.
