

Mp3 Women Without Purses - Ruthless Truth

[DOWNLOAD HERE](#)

Three women with multiple instrumentation talents play original folk to blues including deep harmonies and soulful lyrics, something for everyone. 20 MP3 Songs FOLK: Folk Pop, EASY LISTENING: Soft Rock
Details: Women Without Purses are three incredibly talented women that bring very diverse personalities and talents to music. Their newest CD Ruthless Truth is packed full of guest musicians, several instruments played by the women and a diverse collection of styles from folk to blues to classical, all original compositions. Of course there are the love songs that the women have won their fans with, but there are also political, environmental and an instrumental composition that demonstrates the talent and creativity of the group. This CD is a must for any independent or main stream music collection.
