Jill Morfranna, a sassy redhead from New York, is enjoying a photo shoot in the Scottish Highlands when she stumbles into an alternate realm. Trapped in a frightening world of strange creatures, her life turns upside down when a sinfully handsome shape-shifter kidnaps her. Will she win Dare of Knight Watch's heart or will he trade her for his sister at the next slave auction? Special Content Alert: Light spanking, M/M and M/F/M (secondary characters). Excerpt: He took her mouth fiercely, deeply. He tasted divine, hot, musky. His spicy tongue lashed the inside of her mouth, molding her to his will. His kisses became deeper; his warm hand teased a nipple while the other slid around her waist, enclosing her in sweet passion. Pulling him closer, she kissed him back, melting beneath his touch. She pushed against his fingers to ease her insatiable need. He pressed closer and the heat from his body burned her skin. His thick cock pushed into her stomach, pulsed against her skin, proof of his desire for her. She wanted this, wanted his touch, his lips, his body hard against her, deep inside her. The cat inside Dare roared with pleasure as he lifted Jill into his arms and carried her into the cave. He bent to lay her gently on the sheepskin. Flames from the fire sent velvet shadows dancing across the walls, and the hot, spicy aroma

from the stew hung faintly in the air. He removed her tunic, and tossed it to one side, and the sweet moan from her lips made him burn with desire for her. She laid before him, gloriously naked, all dewy-eyed innocence. Her skin looked so delicate in the fire's glow. Damp curls framed her pink flushed cheeks and flowed across her shoulders in glistening gold highlights. The warm, luscious scent of female arousal surrounded him and his inner cat purred. "Do you want me inside you, Jill, as your first?" he said huskily. He removed his loincloth, and lay down beside her. Her pure white breasts firmed under his touch, her deep red nipples reached toward him. He wanted to taste her, to bury his tongue into her slick wet folds and suckle her hard pearl. He craved her, desiring only to drive her over the edge in insurmountable passion. He looked into her eyes but she showed no fear. Only need burned in those twin emerald pools, desperate need for him. "I want you, Dare. I want you to touch me, to love me. Teach me how to love you." She reached for him. He took her lips again, sweet as spiced apples. She moaned in his mouth, and the delightful sound sent blood rushing to his cock with such speed his ears rang. "Wrap my tunic around your neck. My cat is anxious, and I don't want to bite you." He handed Jill the tunic, and she covered her neck. Dare slowly licked his way around each breast and purred. Her damp skin tasted sweet. The potent scent of aroused female surrounded him. He watched her as he scraped his fangs over each nipple before suckling hard. She looked so delicious, so wanton, writhing beneath his touch, but he must wait to plunge deep within her heat. He groaned as his cat demanded so much more. The need to bite, to sink his fangs into that tender white skin, threatened to overwhelm him. He craved to suck and savor her hot, sweet metallic blood. He looked up into her eyes, and she smiled so innocently and arched her back in a silent plea for more. His control slipped, and his inner cat roared. Mine. Bite her. I need her. Now.
