Ever wanted to entertain your kids by doing hand shadow figures and didn't know how? Here are some great tips on how to entertain you kids with the best hand shadows techniques ever! If Im right, you would probably love nothing better than to be able to introduce your family and friends to old-fashioned entertainment and fun with hand shadows. Obviously, thats a no brainer! But, how do you go about it? Without the right tools and information, it could take you a long time to figure out how to create this fascinating figures on your own. Instead of knocking yourself out trying to come up with the right formula, there is an easier way. Now theres good news I wont deny that there are a ton of books out there on the subject of old-fashioned fun. Unfortunately the problem with most books on this subject is that they are filled with plenty of promises and no solid techniques and strategies to back up those promises. Introducing... Hand Shadow Illusions! Hand Shadow Illusions breaks the mold of all the other such books and manuals you have heard and read about. It presents solid, proven steps to help you create fascinating and fun hand shadows. Suppose you could learn to create a hose of fascinating hand shadows to entertain and amaze your family and friends? Sounds too good to be true? Its not and I can prove it with Hand Shadow Illusions. But, first a word of introduction. My name is _____.. A few years ago I found myself in a situation not too different from your own. I wanted to introduce my family to old-fashioned fun and get away from the stresses of day to day modern life. My problem was that anytime I tried to get the family out of the city the kids complained about the lack of entertainment and things to do. I wasnt willing to give up on my quest to introduce my family to the benefits of old-fashioned fun, but I really needed a way to show my kids how to have a good time without modern conveniences. Thats when I began to read everything I could find on different kinds of old-fashioned fun and thought of how much fun I had camping with my grandfather. We always had a lot of fun and he could make just about anything with hand shadows. That night after the kids were in bed, I started experimenting and trying to remember how my grandfather had created those fun and amazing hand shadows. At first, I couldnt believe it! After a little while, it all came back to me and to my amazement it was just as much fun to create these fun hand shadows as an adult as it had been as a kid. I knew that I had found the answers I needed to solve

my problems. But heres the funny thing. I couldnt wait to put them to use! Right here in front of me was the information that I had been seeking all along! That weekend I took my kids camping and we had a blast creating hand shadows. They couldnt get enough of it! As my success with becoming hand shadows grew, I started to feel guilty. I knew there were a lot more people out there who not only wanted, but needed, the same solutions I had found. Somehow, it just didnt seem right to keep it to myself. Why not create a manual explaining how to create the hand shadows my grandfather had introduced me to so many years ago? So, I got to work. Now you too can discover how to create hand shadows like the following: Elephant Dog Bird in flight The Right (and the Wrong) Way to Learn How to Create Hand Shadows Absolutely everything anyone would ever need is contained within this impressive work.
