Dan Anderson has a lot on his plate. He's just out of a lackluster ten-year marriage. He's moved home to help his mother fix up the family house to sell. He's made new friends with the neighbors, Brendan and Jaden. He's got a challenging job in the IT department at the area hospital. He also has the possibility of new love in his life in the form of the handsome Ethan, who is helping Dan remodel the kitchen. Then work throws a major wrench in Dan's path, and life and love will get a lot more complex as he struggles to reconcile his new relationship with the reality of workplace harassment.
