Looking for Internet marketing software to automate your business, get more traffic and make more sales? Who Else Wants Complete Access To Five Top-Notch Internet Marketing Tools That Are Guaranteed To Skyrocket Your Profits - For a Measly 27 Bucks? Great Internet Marketing Software Without The Ridiculous Price Tags - Its Time To Put Your Online Income On Overdrive! Dear marketer, Stop hunting for Internet marketing software - its a waste of your time! The truth is, most so-called marketing software out there are nothing more than over-hyped, over-priced junk. If youve spent a fortune

collecting them, you'll understand what I mean. Internet marketing or SEO tools don't have to be expensive. In fact, on this page you'll be able to instantly download five awesome tools that will change your life forever, and all you need to invest is a measly \$27. That's about the same price you'll pay to McDonalds or Burger King for 2,000 calories worth of unhealthy food :) If that sounds expensive to you, then perhaps you need a J.O.B more than you need an Internet business right now. Here are the five warrior pocket tools you'll be able to download and use right away:

Pocket Tool #1 - Keyword Warrior
Keyword research is the most vital aspect of any website you plan to create. Target the right keywords, and you'll be making autopilot income for years to come. Get them wrong, and you're doomed right from the start! Keyword research tools can cost you up to \$297 and yet they give you nothing but the same old junk keywords everyone else already knows about. Forget those unless you consider wasting money a form of mental therapy.. Our Keyword Warrior tool does the same thing as 90% of keyword research software out there, plus more!

keyword warrior What This Amazing Software Does:
check Analyze the demand and supply of any niche market and saves you time required for the necessary research.
check Uncover hidden niche markets with a push of a button.
check Extract the no. of daily searches for any keyword in the search engines.
check Display number of competing pages for any keyword in Google, Yahoo & MSN search engines.
check Churns out a huge list of profitable keywords you can use for ALL your internet marketing efforts
check Export your results to an excel sheet for deeper analysis.

Pocket Tool #2 - Blog Warrior
The second tool you're going to get today is something every blogger needs! If you have any type of blog, then you probably know by now that leaving comments (and your link) on other blogs is a sure-fire way of getting tons of traffic. The problem is trying to figure out exactly which blogs are worth your time. Generally speaking, only 20% of the blogs you regularly comment on contribute to more than 80% of your traffic..

blog warrior What This Amazing Software Does:
check Identifies Wordpress blogs with the nofollow tag in the comments field in ANY niche you choose
check Saves you time and effort from searching for blogs manually to leave comments on and building backlinks
check Shows you the Page Rank of each of the individual blog posts itself and home page of the blogs
check Displays the Alexa ranking of each blog (so you know what's the amount of traffic the blog receives)
check Tells you if you have left a comment previously on the blog so you can track your link building efforts with much ease.
check Allows you to save your findings and results for more effective tracking/analysis in the future.

Pocket Tool #3 - Affiliate Warrior
Stop flaunting your newbie status if you're trying to make money from

promoting affiliate products - cover up your affiliate links! Affiliate Warrior is a great tool you can use to create cloaked pages that hide the actual URL of the website, which loading and embedding your affiliate cookie in the background! affiliate warrior What This Amazing Software Does: check Protect your affiliate links and keep your hard earned commissions from being stolen from the nasty affiliate thieves check Redirect your cloaked links to any site of your choice so that others wont even notice its an affiliate link - and youll still be credited for your commissions! check Bypass merchants squeeze pages and send your prospects directly to their sales pages or even your order page, which eliminates a step and increases your chances of making a sale check Have the luxury of linking to even your own sale pages that youve created or other marketing materials in the event that your merchants sales pages are of inferior quality check You can create either a simple cloak or an advanced cloak - skyrocket your affiliate commissions and elevate yourself to super affiliates status! Man this is a great tool! Ive always been trying to create professional cloaked affiliate links and almost every other software out there costs an arm and leg.
