Love, betrayal, petty larceny, and high fashion fuel this deliciously comic novel from the author of Fight Club and Survivor. The fashion-model protagonist of Invisible Monsters has just about everything: a boyfriend, a career, a loyal best friend. But one day she's driving along the freeway when a sudden accident leaves her with half her face, no ability to speak, and next to no self-esteem. From being the beautiful center of attention she becomes an invisible monster, so hideous that no one will acknowledge she exists. Enter Brandy Alexander, Queen Supreme, one operation away from becoming a real woman; Brandy will teach her that reinventing yourself means erasing the past and making up something better. And that salvation hides in the last places you'll ever want to look. In this hilarious and daringly unpredictable novel, the narrator must exact revenge upon Evie, her best friend and fellow model; kidnap Manus, her two-timing ex-boyfriend; and hit the road with Brandy in search of a brand-new past, present, and future. Changing names and stories in every city, they catapult toward a final confrontation with a rifle-toting Evie-by which time the narrator will have learned that loving and being loved are not mutually exclusive, and that nothing, on the surface, is ever quite what it seems. By turns witty, poignant, and exhilarating, Invisible Monsters will take you on a ride you'll never forget. Author: Palahniuk, Chuck
