365 Ways to Put Jesus First Athletes and actors, models and musicians, pastors and politicians ... many have stepped forward, looked in the camera, and proclaimed, "I am second." But most in the I Am Second movement are not celebrities. They are ordinary people-and they've come to the simple realization that when God comes first in their lives, everything makes sense. But living second is not easy. It takes grit and humility, submission to God's will, a willingness to listen and serve, an openness to God's healing and call. Live Second is a daily guide to help you. With 365 readings, prayers, actions steps, and an invitation to join other Christ-followers online, what you hold in your hands is a tool built with truth, scripture, and a sure path to put Jesus first every day. The Christian life is not meant to be easy, just worth it. Live Second is exactly what you need as you become the new, inspired, God-honoring creation he made you to be.
