Instrumental techno-rock album from Russian artists Batoni 10 MP3 Songs ELECTRONIC: Techno, ROCK: Instrumental Rock Details: Batoni is foremost a guitarist changed by God. He's a man who left his past of cynical self indulgence, hatred of life and disgust for people. At the age of 27 he began a new life. Before that crucial moment, all of his life was rebellion against love, goodness and honesty. He denied the very existance of such things. He was at the end of his rope, until he was disarmed and totally crushed by the irresistable flow of Love. His experience made him a new person. Now he knows love exists, moreover that it is forever and never fails. All of the sounds of his life, both the pain and the joy, are expressed in his music. Listen to his life as he found his true Life. To know more visit batoni.us or contact him by email at batoni@prophetsandpoets.com.
