Contemporary folk goes to honky tonk heaven. 12 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Rock Details: "Blake Thomas and the Downtown Brown bring both a youthful vigor and a hearty respect to songcraft. Equally comfortable with acoustic ballads and roadhouse stompers, the quintet -- singer-guitarist Thomas, violist Shauncey Ali, bassist Jeff Bail, keyboardist Teddy Pedriana and drummer Justin Kunesh -- nurture Thomas' songs into an appealing, amorphous blend of folk, country and roots-rock styles."
