Spoken word music about a Chicago redneck from Britain. 19 MP3 Songs SPOKEN WORD: With Music, ROCK: Classic Rock Details: "I'm a Limey Redneck in Chicago" is a new CD from British Singer/Songwriter and entertainer Dendee, which has earned nothing but praise from all who have listened to it. It is a combination of great original songs and wonderful true life stories. The stories lead you into each music track. There a total of 19 tracks on the album, giving the listener just under an hour of entertainment. Dendee said "I got a message the other day from a guy in Florida who said that "Im a Limey Redneck in Chicago" is now one of the most entertaining CD's in his collection. He plays it in the car to entertain his passengers". Dendee grew up in the suburbs of London. For much of his life he worked as a recording studio engineer during the day and as a guitarist singer and entertainer in the evenings. He has had songs pubished and recorded by Peer music who are currently the worlds largest independant music publisher. This is a great CD from a great musician, entertainer and storyteller.
