

Mp3 El Silencio Blanco - Misteriosa

[DOWNLOAD HERE](#)

Dark and seductive soundtrack for your late night passions. 15 MP3 Songs in this album (65:41) ! Related styles: WORLD: World Fusion, ELECTRONIC: Dance People who are interested in Cirque du Soleil Brazilian Girls Eric Wenger should consider this download. Details: Eric Wenger (creator of Bryce 3D and Metasynth software) has done it again with another brilliant album--this time with Michaela Velasquez. Together they form El Silencio Blanco a fusion of Spanish and French electronica ranging from dance to theatrical soundtrack! The album starts off as a delicate vocal web woven with threads of your dreams in Misteriosa and builds to the pumping beats of Diabla. An enjoyable ride from start to finish.
