

Mp3 Full Of Stars - Pop: With Electronic Production

[DOWNLOAD HERE](#)

Full of Stars is an original electro-pop duo from Chapel Hill, NC, featuring the cogent lyricism of Jeff Fowler and the joyfully clever electronic production of Eric Hirsh. 10 MP3 Songs POP: with Electronic Production, ELECTRONIC: Pop Crossover Details: Full of Stars is an electro-pop project by longtime collaborators Jeff Fowler (lyrics, vocals, guitars) and Eric Hirsh (keyboards, percussion, orchestration, programming). Jeff and Eric are both music majors at UNC Chapel Hill (that's right, your 2005 NCAA champions) and have always wanted to produce an album using their respective interests in songwriting and electronic production. So here's their freshie effort for you to enjoy! Jeff and Eric can be reached at fullofstars@bellsouth.net
