

Mp3 Jerry Heater - Calling All Broken Hearts

[DOWNLOAD HERE](#)

Country Rock meets Oldies with a Roy Orbison twist, including lots of harmonies and a message for broken hearts. 10 MP3 Songs COUNTRY: Country Rock, POP: Today's Top 40 Details: Jerry Heater is all heart and all energy, not only in his personal life, but on the stage as well. He believes that one needs to use action as well as music in order to relate a total and complete message. During his performances he prefers to be very energetic while at the same time maintaining a sense of intimacy with his audiences. Jerry, who grew up in the country, was on horseback at age 3 and began singing when he was five years old. He went on to sing gospel, rock and oldies, and to form his own groups, do his own song writing, arranging, bookings and promotions during his teen and college years. While Jerry enjoys writing and performing a variety of musical styles, the "CALLING ALL BROKEN HEARTS" project is gospel oriented with a country flavor and an oldies twist on several songs. Many of the songs will make you want to sing and dance. Others will speak to your heart. So if you or someone you know is going through a tough time, or feeling a little blue, you need to listen to "CALLING ALL BROKEN HEARTS." CREDITS: GUITARS Doug Fraser: Acoustic and Electric Guitars on Dad, Fly Like An Eagle, Daughter of Promise, Here Comes the Bride, In His Presence Tim Ellis: Acoustic, Angel Hair, and Electric Guitars on With All Of My Heart, Send Me All Of Your Lovin', Calling All Broken Hearts, My Eyes Can't See, Gathered In Your Name KEYBOARD DRUM PROGRAMMING Gary Hemenway, Dean Baskerville PEDAL STEEL Ron Stephens FIDDLE James Mason BACKGROUND VOCALS Annie Graves, Kelly Logan, Gary Hemenway, Jerry Heater, Dean Baskerville Produced and Arranged by Dean Baskerville and Gary Hemenway Engineered by Dean Baskerville Recorded at Dean's Additional Overdubs at Supernatural Sound, Oregon City, OR All Songs Mixed by Cory Knowland at Alpha Music, Salem OR (Dad, Fly Like An Eagle, and Gathered In Your Name, Mixed by Dean Baskerville and Gary Hemenway at White Horse Studios Portland, OR)
