Sexy, smooth and sultry vocals wash over you throughout this entire album of adult contemporary urban/r&b/pop with a touch of new country. 10 MP3 Songs URBAN/R&B: Contemporary urban, COUNTRY: Country Pop Show all album songs: Angel Heart Songs Details: I have been in the music industry now for as long as I can remember, both in administrative and creative capacities. The early days saw me shift from solo guitarist/vocalist, playing around various restaurants in Sydney, through to being the bass player in an all-girl Perth band. Over the years, I managed to teach myself a variety of instruments and can honestly say I have played more venues than I have had hot breakfasts. As time went by, I became a personal manager in the pop and country fields and went on to produce albums and direct music video clips. During all of this, I began songwriting. My first track "Angel Heart" was picked up by Kathy Howard of Republic Productions, a Sydney based music publisher headed by the cream of Australia's music industry. That song alone, led to the signing of a full blown publishing agreement. Tracks off the album proved very successful in Romania, France and Belgium. Eventually I sidetracked into the world of filmmaking, whereby during the course of conversation, a strange turn of events brought me back to music...(did I ever leave!). The result of which, culminated in the writing of my book, PopStars Idols the recipe for success. My song "Restitution", which is the first track off my album ANGEL HEART, is the opening title track for the U.S. soap opera LEGACY HILL, viewable 24/7 on ursceneon ODCH1 (On Demand Channel 1). My other great passion in life, is ANIMALS. I have recently launched a very special website "ANIMAL ANGELS ASSIST". It's all about helping people who are helping animals. For every CD sold, I allocate a percentage to this cause. Please visit this site at freewebs.com/animalangelsassist I hope this has given you some insight into my background (a much more in-depth story can be found at earthdog.com.au and myspace.com/earthdogmusic) and provided a clear understanding of my love, my

passion and my dedication to this, the best of all industries, MUSIC. "Lisa is an exceptional talent. She has the unique ability to create commercial masterpieces in a variety of genres - an aptitude rarely seen in this business". Kathy Howard - Republic Ventures P/L
