Country Female Music 14 MP3 Songs COUNTRY: Contemporary Country, COUNTRY: Country Pop
Details: These are secular songs to heal hurts and get started with a new life. After a difficult divorce from former Nashville Record Producer, Eddie Kilroy, and walking away from being the Tender Tiger on his XM Satellite Radio program, where he's now a disc jockey on Willie's Place, I had to begin my own life over. These songs helped. Many of these, such as "Broken Glass" were written from experience. They are secular, because many were composed during my time at Warner Chappell Music in Nashville. It was my job to write secular music, so anyone who knows me as a gospel artist, know this...God wants people healed. These songs minister in their way to people who need to learn to love and be loved and most importantly, LOVE THEMSELVES as the Bible teaches us to do according to Love thy neighbor as thyself. LOVE NEVER FAILS! "You Will Be Loved Again", was written for a family member who had just been rejected. "Just Because You'd Never Ask Me To" was the opposite of my former marriage. "Roses on Mahogany" was lived out on both sides of the fence of domestic violence. I pass this on to you in a very limited edition, to heal, help and encourage. It was recorded at different times and places in my career and compiled as a benefit to those in need of hearing that love is possible and again, LOVE NEVER FAILS. Limited Edition of 100 albums available. People who are interested in Faith Hill Martina McBride Kelly Clarkson should consider this download.
