The cast is made up of nine children and adults who radiate enthusiasm and emotion as they go through their journey and sing their songs to the Lord. It carries a prophetic message for the church today and was taken from Numbers 24. Our desire is that you will enjoy the musical and also that your church or school might perform it to touch others' lives. Because of this we have produced both a background cassette and a background CD as well as a Play Book with lines and stage directions, plus sheet music with words. "We play this musical over and over. It reminds us of what the U.S. families used to be...(wholesome) with all the different ages working together. Our grandchildren love it too! Very uplifting, it is wonderful." Jim Miller, Retired businessman "The purity of the children's voices brought tears to my eyes." Sally Durr, Mother of three "My husband and I have really seen God work through this wonderful musical "Surprise in a Bucket." We have given them out as we travel around the world."
