Rock Pop Blues, a new sound ready to kick you off your feet, straight out of Austin, Texas "The live Music capital of the world." 12 MP3 Songs ROCK: Modern Rock, POP: Today's Top 40 Details: Ouiji entered into the live music scene in the beginning of March 2001, bringing a new fresh beat to the Live Music Capital of the World (Austin, Texas). The band calls their style, The alternative to alternative. It is a blending of many styles and influences from Lynard Skynard to Guns N Roses, with a little bit of pop sensibility. Ouiji is a band that can best be described as dynamic and energetic. They are backed with guitar licks by Casey Carter, solid rhythms on the drums by Roy Pena, bass grooves and vocal harmonies by Brant Dickerson, topped off with the expressive vocals and solid guitar rhythms by Justin Wolf. Ouiji is a band that plays hard, comes to have a good time and enjoys pleasing their fans. In the beginning, they wanted to create a sound that is like no other and formed the concept known as Ouiji. The band performs mostly original tunes, with a couple of tributes to their favorite bands. Ouiji without a doubt is a 100 crowd pleaser.
