Modern, hard rock with blues and jazz influences. Real Rock Roll for the Die-Hard rock fan 10 MP3 Songs ROCK: Hard Rock, ROCK: Roots Rock Details: Showcasing a variety of styles, The Prowler's CDs are a collection of 26 hard-rocking songs, each combining chunky power riffs with a pounding backbeat offset by jazzy chord changes. The Prowlers have created their own unique sound. You can expect to hear some new and exciting sounds in addition to traditional rock roll influences. The Prowlers are an alternative to the alternative rock scene. Live shows feature plenty of spontaneous improvisation but always keeping it tight with high-powered output. See you at the gigs!
