Queenie is a hauntingly sensual siren for the modern age. Her heartbreaking ballads will inspire you and her classic hooks will enchant you. Compared often to Enya, Kate Bush, and Joni Mitchell, Queenie's style is New Age with a Classical bent. A world of unparalleled beauty, innocence, and infinite sadness awaits you within a Queenie song, where stories are unfurled by the listener. Half-Japanese and half German-Irish by descent, Queenie's sound is permeated with Asian themes and a signature melancholy. Influenced by fairy tales and science fiction in her youth, she acknowledges a bevy of influences from film music to Renaissance motets. Themes of nightmares, dreamscapes, and lost loves populate her songs. A prolific writer, Queenie has composed hundreds of tunes and has won international acclaim for her piano arrangements and angelic voice. QUEENIE'S MUSICAL BACKGROUND Classical guitar permeates many of Queenie's tracks, along with her signature

liting lyricism and ornate piano orchestration. Queenie is trained Classical pianist who studied in a Chicago conservatory. Queenie's angelic voice is her signature. Light and airy, her unique voice is as soothing as touch. Queenie is an artist who shines among female singer-songwriters, modern yet ancient, intricate yet simple. QUEENIE AND CHARITY Queenie has often donated 100 percent of her show and CD Baby CD profits to charities that benefit women and children. Proceeds from the 2002-2003 holiday season were used to donate over \$300 to Women for Women International, a charity that helps women get on their feet in war-devastated countries like Bosnia and Colombia. Proceeds from the 2003-2004 holiday season were donated to Operation Smile, a group that organizes doctors to offer free surgeries to children in poor countries. Queenie donates proceeds from live shows to local cancer charities like The Wellness House. QUEENIE THE WRITER Queenie has finished her first novel, a vampire romance story called "Forever Fifteen." The book in paper and eBook form is available at [lulu.com/foreverfifteen](http://lulu.com/foreverfifteen). A completely free audiobook--Queenie reads her novel to you--is available at [foreverfifteen.com](http://foreverfifteen.com)! COMING SOON FROM QUEENIE Queenie produces albums in her home studio in Aurora, IL. She is currently working on a live album and her second independent album of singer-songwriter works, "Dream of Flight". music=passion P.S. Isn't CD Baby awesome?
