A lyrical journey with banging beats and hot vocals, a must have for the rap enthusiast, Dirty South FL. music at it's finest is "Readyrok" 14 MP3 Songs HIP HOP/RAP: Rap, URBAN/R&B: Soul Details: GospelFlavagives a great review for Readyrok Soul Grind. Read here. "ReadyRok, hailing from Orlando, Florida, comes out strong with his debut album, Soul Grind. Produced by Big Nick and with music cultivated from the streets and shooting straight from the heart, the emcee brings forward a positive message reminiscent of the pioneers of rap such as Ghetto Boys, Snoop Dog and Tupac. Heavy instrumentation marks the opener, The 'O'", which is about life in Orlando and how to never stereotype talent from a particular city. On "My Block", ReadyRok gives a testimony to mean streets with love to the people who died trying to make it, with his deliciously-choppy flow laid over a ticking guitar loop. The albums single "Thinking About You" is a journey of thoughts dedicated to the people ReadyRok loves. Call it a hip hop tribute that goes down memory lane. Guest Analyze vocalizes in select segments on this one. Other tracks of note are the bongo-themed West OC, which features guest emcee Jimbo, and Eternal, with muted horns prevalent. With a total of fourteen tracks that bang from beginning to end, Soul Grind is one that hip hop and urban music enthusiasts need to look for. Be on the lookout for this up and coming soldier".
