

Mp3 Robin Dilioia - Musically Moving Adventures

[DOWNLOAD HERE](#)

A music and movement program designed for toddlers to motivate, educate and entertain them. There is a freeze game song, a fitness song, an animal guessing game song, a song about nutrition, tempo, a waltzing song, a song about imagination, songs to help 16 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: Robin started studying piano at age 7 and guitar at age 12. She studied guitar, piano, vocal technique, composition and theory with acclaimed teachers Chuck Anderson, James V. Amadie and Debora Maher. She is a graduate of Temple University in Philadelphia, PA. When not performing in a jazz band "Unstuck In Time", Robin is teaching piano, guitar and music and movement classes. Robins teaching experience also includes preschool music, preschool gymnastics, and Kindergarten classes. Robin began performing her original songs while in high school at local coffee houses and clubs. In college she met and married guitarist Rick Dilioia. Over the years they have performed together in area restaurants, cafes, private and corporate affairs. Robins first recording of original songs for children Musically Moving Adventures is a program of music and movement for parents or teachers and preschool children. Robin is a BMI artist, a member of the American College of Musicians, the Bucks County Piano Guild, and is a certified Kindermusik and Music Together teacher.
