

## Mp3 Russ Michaels - People...

[DOWNLOAD HERE](#)

This is as acoustic and solo as it gets...just Russ' vocals, his guitar, and a notepad of new songwriting...skewed a bit to the left. 14 MP3 Songs FOLK: Political, FOLK: Modern Folk Details: Drinking heavily, walking out of jobs, casting a vote, debating politics war, loving the girlfriend, feeding the cats, drinking some more, cussing up a storm of discontent for the restaurant jobs, screaming for the world to spin differently, painfully listening to president bush speak, reading Vonneguts "Slaughterhouse-Five" and strolling to the waves repeated apology are just a few of the footprints to look back on since Russ Michaels' last cd "Blue-Eyed-Harvest" crawled into release a year ago. Going for more mileage, "People" is put forth to walk out on that album; leaving it in the dust; standing tall; driving cross-country so both you and he can get to know his heart soul a little better. Only his guitar his voice have been used for this acoustic statement. It is encouraged that people laugh, smile, cry, think ultimately take the plunge to change life...enjoy...
