The album features her soulful voice with a folk-pop sensibility on nine original tunes, all of which she says are love songs. 9 MP3 Songs POP: Pop/Rock, FOLK: Folk Pop Details: Sarah Tollerson reminded me of a young, extremely happy, Joni Mitchell. Sarah has the unique ability to exude simultaneous cheer and cynicism in the same song. In an industry that dishes out more of the latter, this is a girl to whom I have a feeling it just won't matter. She'll keep on getting better and better and writing the songs with which her fan base connects. -Cindy Lou Harrington, President, Georgia Music Industry Association (2001-2004) Paying the rent on time might be accomplishment enough for most twenty somethings, forget a burgeoning music career. But not for Athens, Georgia's own songstress Sarah Tollerson. Music is in her genes. Sarah, who has been compared to singers such as Fiona Apple, learned guitar from her father while she was still in middle school and it's been sweet music ever since. She counts Jump Little Children, Mike Willis and the Escape Artists, The Counting Crows, Will Hoge and No Doubt among the influences for her pop and blues driven acoustics. Shes graced the stages of countless venues across Georgia including The Georgia Theatre, Tasty World, Red Light Caf, 106 West, Nucis Space, Buffingtons, Last Call, Wild Wing Caf, DTs Downunder, and Flicker Theater where she shared the stage with artists such as David Mead, Bain Mattox, and the Escape Artists. She was also awarded first place at the 2004 Athens MUSIC Project Open Mic Competition. Along with playing numerous venues, Sarah has also made several live radio appearances. First appearing on Atlanta's 99X Morning Show 'Your Big Break with Barnes, Leslie and Jimmy', Sarah performed her fast-paced and upbeat hit Freaks Like Me. She branched out a few years later, performing two originals, This Old Jacket and Natural Star for Z97s Sunday ritual, Almost Famousa gig that put her in frequent rotation on the Milledgeville station. If theres one thing to be said about this songbird, its her ability to work a crowd. "Her song 'Natural Star' says it

all... when Sarah is on stage, she grabs the attention and respect of everyone in the audience with her catchy riffs and lyrical stories, says Athens Open Mic representative Alec Wooden. She already has a great fan base that just keeps growing. I love my fans, says Sarah, theyre crazy, theyre loud, and they sing along. After several years as a solo act, Sarah decided to take on a band: Trevor Wooden (guitar/vocals) Alec Wooden (bass/vocals) and Joe Bleakley (drums), fondly known among their fans as "The Big Fantastic." Despite the band's tremendous success in Athens, Sarah made the decision to attend the Berklee College of Music in Boston where she relocated in January of 2006. She continues to turn heads in her captivating live performances and in August 2007 independently released her debut full length album, "Keeping Old Love Letters." The road ahead looks promising for budding star Sarah Tollerson.
