Lush new age, acoustic and pop style arrangements coupled with vocals resembling Karen

Carpenter and Enya showcase the songs of Mater Dei . Six original songs penned by Susan are featured along with Marian classics plus a contemporary and glorious new rendition of Schubert's Ave Maria. "Mater Dei is unique because Mary speaks directly to the listener," Susan says. "Several of the songs are written from the point of view of Mary, talking to her children, and drawing them lovingly closer to her Son, Jesus." Four of the songs were drawn from the text of the Marian Movement of Priests publication, To the Priests: Our Lady's Beloved Sons by Fr. Stefano Gobbi. Susan received permission from the MMP to put Fr. Gobbi's writings to music. Themes of Mary's motherly and healing love permeate the songs: Come Into His Presence invites the broken, the poor and the little to bring their cares to Jesus by resting in Mary's arms where the love of Jesus is revealed. Under My Immaculate Mantle, a simple and hypnotic hymn, invites all Christians to unite together and be as one under her immaculate mantle where she will lead them to the "heart of Christ Jesus." Take Joy in Me is an uplifting and fun song with an infectious beat, reminding listeners of the refuge of her immaculate heart in times of trial and storms. Wait with Me is a peaceful and soothing song inviting the listener to wait with Mary as she anticipates the birth of her Son, Jesus. It is the perfect song for Advent and Christmas preparation. Two other songs, the gentle yet rhythmic Room in Our Hearts and the unforgettable Promised Son speak of the birth of Jesus and the pivotal role of the Mother of God. Susan's rich voice and warm, prayerful delivery are her trademarks. Marge Oliveri, inspirational speaker and proprietor of The Angel Connection in Westborough, MA, writes, "Susan's music is extremely blessed, has touched many hearts, and has promoted the conversion of many searching souls. It is a gift to experience how she allows the Holy Spirit to move her and touch so many. She sings with a deep love and devotion to Our Lord and Lady and one cannot help slipping into a peacefulness we know not of this earth. She has the voice of an Angel." Susan Bailey is a longtime resident of the central Massachusetts region along with her husband Rich and her two teenaged children, Stephen and Meredith. She has been performing locally and regionally for over ten years while ministering in song each Sunday at St. Luke the Evangelist Church in Westborough.
