"We love Christmas", the Christmas Story will always be important to us as it is to many, hence our first track, which tells the story, and encourages hope, I hope you enjoy. Christ was born in a stable, so what better fun second track could we offer than Rusty the Cowman. He is less than perfect, but despite all, Christmas is a special time for "Rusty the Cowman" this track is the only parody on this EP, but I hope it makes you laugh. "Snowflakes are Kisses from Angels"..... Not everyone will be at their best this Christmas, it has been a hard year for many. although Christmas is a time for hope, many will be without someone special this year. this song is for you. and I hope that it is as precious to you as it is to us. Love will conquer all. stick with it my friend, All will become clear! And to cheer you up, "Christmas Torn" some people will always get it wrong, and this fellow is no exception. some will pity his wife..... others will know where he comes from. Thats enough from us... Enjoy. Each song will mean different things to different people. Whatever, have a great Christmas, and please let our love, and the love of all who care, go with you. "Merry Christmas" from The Cutlers of Cornwall.
