

# Mp3 Zaylan Sound: Volume One - Electronic: Deep House

[DOWNLOAD HERE](#)

Zaylan returns - with an album full of classic House Music appeal. 11 MP3 Songs ELECTRONIC: Deep House, ELECTRONIC: Progressive House Show all album songs: Zaylan Sound: Volume One Songs Details: Fans of Mainstream Dance and Classic House Music will enjoy ZAYLAN SOUND:VOLUME ONE. The CD kicks off with 'Blessed By Your Love (The Progressive Dance Mix)'. The track was first released exclusively as a digital single and is now available on CD. An extended version titled 'Blessed By Your Love (DJ Warren Gluck Inspired - Extension)' is also included. The remix is an inspired version of the way the well-known circuit DJ spins the track when playing it during his sets, and has contributed to making this version a local hit. Remixes of the CD's follow-up single 'Not Comin'Back No More' are also part of the program. Of noteworthy mention is the track 'Not Comin' Back No More/No Vuelvas No Mas'(Spanglish Remix). Zaylan kicks the lyrics in both english and spanish on this version. Other highlights include one of Zaylan's first and finest recordings - the previously unreleased easy-listening version of 'The Rain' and the Keith Kemper Piano House Mixes of 'Nothing Left For You Here'. The song, 'Nothing Left For You Here' was first released on a maxi-single/EP (of the same name) with mostly tech-house versions of the song - but the Keith Kemper Piano House versions included on ZAYLAN SOUND:VOLUME ONE keep the song mainstream but takes it into a more garage/classic house direction. Co-Producer Keith Kemper's obvious talents as a keyboardist/Pianist are showcased here to great effect during his piano solo. The Piano House Mixes are among Zaylan's personal favorite recordings ever. Other CD cuts include 'Body Oil', 'Must Be A Reason' and 2 unlisted hidden tracks that were included on the CD's first run pressing. The unlisted hidden tracks will only be available on this CD for a limited time to online buyers while supplies last...so order your copy today.
