

Quest For Truth: Here And Beyond - Arnold H. Walter

Marilyne and Walt had a nineteen year pen pal relationship, thus it was only natural for Walt to contact her when he passed in January 2007. Quickly he introduced her to the bright realm he found himself in. Where knowledge and answers seem to flow around him like an old river, circumventing the veils of the third dimension, known as Earth, and like a theater skim, high lighting the depth and broadness of the creators vision. Within days, weeks he was sharing what he had experienced on passing, the moments as he grew within his new residence and the giddy excitement as old questions exploded with amazing new and always bolder answers, that aren't answers at all, but always more thrilling possibilities and alternatives. He meets ancient seers, babes, prophets, Buddha and Jesus. He had always been a seeker of truth and spiritual knowledge but now that he is at the source he feels it is his duty to dispel the fear humans have of the other side and death. Three years into this correspondence Walt called a halt to this his first book, and his wife Lorraine (Cookie) and his friends have put this volume together for your enlightenment and education.
