

Violin Wav And Akai Sample Pack

[DOWNLOAD HERE](#)

Description : TheViolin Sample Collection is one of our exclusive sample packs. These high-quality audio samples are perfect for all your projects. After hearing these samples, you'll wonder why you wasted your money on all those other products. And with our fast delivery, you can start getting inspired right away (see shipping section for details). You won't find a better value or price for this kind of quality anywhere else! This pack includes one of the largest collections of Violin samples on the market today! You'll get a fantastic pack of over 125 wav samples that will complement any style of music! Also includes pre-mapped samples in AKAI format. Compatible with all samplers including Alesis synths, Reason, Gigastudio, Emulator X2, VSampler, EXS24, Halion, Kontakt, AKAI MPC, Orion, Vienna, Roland synths, Sampletank, KORG synths, Yamaha Motif... You can't lose with this library of great sounds! With over a decade of experience in sample production and composition, our company is dedicated to outputting quality sounds for the modern producer. You will not find this combination of price, value, and quality anywhere else. So what are you waiting for? Get this sample pack today, and start making music!
