

A Hedonist's Guide To Art

[DOWNLOAD HERE](#)

A Hedonist's Guide to Art shines a light on both the little-known and the wilder shores of contemporary art, affording readers a peek inside the machinations of the gilded beast known as the "Art World." Here readers not only learn how to build up a collection of works and spend their money wisely, but also how to amass a collection of experiences that would make the most robust of extroverts blush. Under the (occasionally) expert stewardship of 60 people in the know artists, curators, gallerists, auctioneers, art school tutors, collectors, critics, and professional hangers-on this journey takes readers from the art fair to the gallery to the auction house to the studio visit, then right on up to the rooftop swimming pools of the most debauched after-show parties ever held.
