

Client Rolodex W/ Mrr

[DOWNLOAD HERE](#)

Use The Client Rolodex Database To Manage Your Customers! This new software program allows you to store all of your client's information. Keep track of names, email addresses, phone numbers, purchase dates, and any other relevant notes. You can easily send personalized emails to a single client or your entire database. Contacts can be printed and they can also be put into 'groups'. SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Client Rolodex and keep 100 \$\$\$ of the profits! You'll even get a copy of this sales page which you can easily customize!
