Leverage the huge traffic storm created by Facebook to promote your web site or business. Facebook fan pages can be a huge traffic generator and profit center for your business. Learn how to properly set up your Facebook fan page to take advantage of the profit potential. The most important pieces to the making money puzzle is to attract customers that are interested in your product or service. Let's face it - no customers - no sales. It doesn't matter whether your business sells lingerie, bubble gum or ebooks.

The fact is you need to attract customers that are interested in your product. One of the newer ways (that not near enough people know about) is to use the unbelievable potential that Facebook offers. Facebook receives an unbelievable amount of traffic from all over the world with all kinds of different interests. Your job is to attract the attention of those people that are interested in your product. The good news is that Facebook has put together a system that makes this easy for you to do - once you know how to take advantage of it. The system I am talking about is using a Facebook Fan Page to promote your business. Now before you go rushing off to Facebook and create a fan page let me give you a little piece of wisdom. Sure anyone can create a fan page, but the trick is to create an EFFECTIVE Facebook fan page. There are some tips and tricks that can make the difference between a successful fan page and a complete disaster. Here is just some of what you will learn: * How to get started with fan pages * How to customize your page * How to create customcontent for additional pages * How to add content using iframes and so much more...
