When Users buy Deals you will get different percents from the Price. Of course you can sell your own Products and get more buyers & earn more money! You as Webmaster will get much Likes, Leads, Traffic and Sales. Product Description: Host unlimited deals from your FB Social Deals dashboard Uplaod your own custom header image, product image, like-gate image and more Choose from 10 pre-defined styles Optionally turn on/off the like-gate. If you want maximum people to get straight to the deal, you can turn this off. Optionally turn on/off the Wall posts function. This can help traffic come yo yout page but you can turn it off if you dont want to require that people accept the app permissions Autoresponder support for Aweber, GetResponse and Mailchimp lets you build a list of leads. Once people accept the app permission their email gets sent to yout autoresponder "Real Time" countdown works even if they are directly in your page when it hits zero, no refresh needed. This shows people it's the real deal and not stupid fake scarcity. The contdown time works off the clock on your server. If it says the deal ends in 2 hours, it will show 2 hours no matter what time zone a visitor appears

from.....even if they got sneaky and changed the clock on their PC, they can't get around this. Super simple in-browser installation means that you enter some basic info, click install and you are good to go. No messing around with databases or files! One-click "add to Facebook" buttons mean that you enter the basic information required by Facebook, click our button and it will add it to your page, minimizing what you have to do manually. Add videos, images or whatever you want in the content area at the bottom. Custom message and link show once the deal has expired. And a lot of more! Start now your own Business like Groupon direct inside Facebook and earn much money with this premium FB Social Deals App!
