How much MORE WEB SITE TRAFFIC and MORE MONEY would YOU make if your knew the... Secrets of the Super Bloggers! Yes - It's True! Right this very moment, Internet Marketers are Branding Themselves Better, Attracting a Bigger Following, Building their Web Site Traffic, Increasing their Sales and MAKING MORE MONEY ONLINE through the magic of the newest technology - RSS & Blogs. August 12, 2012. Welcome, Fellow Internet Marketer! So, you're looking to learn the Secrets of the Super Bloggers, eh? Can't say as I blame you - so far I've gotten new sites indexed overnight, built traffic to all

of our dozen+ web sites, raised our link popularity and increased our sales, earnings and affiliate program signups - all through the intelligent use of RSS, Blogs & Pings... Yet I probably know less about Blogs and Blogging than any of the other authors in the Secrets of the Super Bloggers compilation. You see, I saw all these benefits in less than a month after starting the Marketing Domination Blog... That's how amazing, how incredibly effective these secrets are! But you better hurry... Remember when all search engines were FREE, and simply submitting your web sites got you listed QUICKLY? Gone. Then it was FFA pages - they brought in a TON of free traffic, built links to your site, and added to your mailing list like crazy. Tried one lately? Safelists were an online goldmine - for a while... ***SIGH*** Every new technology does what you need - at first. Then slowly more and more learn the secrets, and by the time the herd has caught on it's too late. Technologies have changed, everything has slowed way down, or the search engines have decided that it's become another form of 'spamming the search engines' and stop weighing it so heavily. Sometimes they even ban the technology from their databases - remember doorway pages and multiple sites? So where is Blogging along this curve today? The early adopters have been doing it for the last couple of years, and the leading Internet Marketers started coming into it over the last year - many are still just getting started with it. So you're at the perfect time - most of the expensive development time is done, the bulk of the bugs are out of the whole RSS & ATOM feed systems, and engines like Yahoo! and MSN are embracing the technology and waiting to greet YOUR blog with open arms! So Here's What You're Getting in Your Secrets of the Super Bloggers! Power User's Guide to Becoming A Super Blogger! A short, no fluff, no filler, no explanations guide intended for experienced Internet Marketers and webmasters who don't need any hand-holding - just step-by-step instructions on how to benefit from it all RIGHT AWAY!
