With advances in information technology people are being empowered to connect, collaborate, create wealth and self-order without bureaucracy or representative government. Infinite Wealth shows how the frantic change within organizations is part of a process of creating a new type of wealth creation enterprise enabled through the Internet. Infinite Wealth illuminates our environment, allowing us to clearly see the big picture and how the individual pieces of today's activity fit into a coherent new worldview, thus making sense of today's chaos. This revolutionary synthesis empowers you to understand what is occurring and to make effective personal choices regarding your work and life. Author: Carter, Barry
