

## Mp3 Bradford - Message In The Music

[DOWNLOAD HERE](#)

Bradford will put you in the mood for love because there is a "Message In The Music" for the world is the community of togetherness and Bradford sends Peace unto all mankind. 15 MP3 Songs URBAN/R&B: Contemporary urban, JAZZ: Smooth Jazz Details: Bradford's done it again. He is a true "Messenger of Music", which is why his album has that title. Bradford is the writer, arranger, producer, engineer, composer and vocalist on all of his album projects. There is just so much versatility in his unique style. The cuts are not just for entertaining and listening purposes. The cuts can provide so many musical functions such as providing music for Movie Scores (all rated movies), Jingles, Documentary, Action Films, Love, Romance, International, News, Weather, Talk Show Theme Music and Bumper Music, Travel, Excitement, Animation, Serious Films, Amateur Films, Short Films and more. Within each cut, there are 60, 30 and 15 sec. clips for your use in radio and TV commercials. Bouie Publishing Company ensures that Bradford's music has high quality and marketability. This in turn provides profitability. Judging from the standards of music today, Bradford's "Message In The Music" fulfills all of the above. Here is an overview of some of the cuts on "Message In The Music". "Hold Your Ground" - A Funky, Pop Rock confession of love between Boy and Girl. Put your feet on the rock and let everyone know about your lovin'. Break into a sweat while you party to this up-tempo mixed R B and Pop Rock tune. "Strokin' After Midnite" - Turn the lights down low, light the candles and put this romantic, sensual song on your player. "Strokin' After Midnite" is that soft interlude that makes cuddling up to your loved one, JUST ALL THAT. You might want to do some "Strokin' After Midnite" after listening to this cut. "Magic" - You Don't need a magician for this smooth, love jones, flavorful song to make you feel silky smooth. When you are in love, Bradford says "This love is like magic", This kiss is like magic", "This hug is like magic". Bradford wants and does give you some MAGIC MUSIC. "Peace, Love Soul" and "W.O.L." (With Our Love) is

some of the best smooth jazz around. The violins in "W.O.L." roll exotically throughout this sweet piece. "Peace, Love Soul" says everything in its title. Its just a great universal jazz tune and radiates with its excellent composition. "Message In The Music" is a "Pick To Be A Hit".
