Born in the 1983 in Ceiba, Puerto Rico and years later established in Ponce Puerto Rico, Carlos Daniel always is learning and find the felling of love in his songs. Since he was a child, he learned to play differents musical instruments, like the sweet flaute instrument that drive him to his first presentation in front of the public in the early 90's. Then, his father, who seeing his abilities with the musical instruments, recommends to learn to play the acoustic guitar, which after a short time of preparation and knowledge, makes that this young could play his own melodies, and them, to appear in several school activities. But, the ability to write his own songs, was discovered as a result of the facts of the September 11, 2001, that make that his heart has move to write his first ever song named "Una Nueva Oportunidad" ("A new oportunity")- based on the facts of that day, and envolving the feeling of hope, union and peace that must be in the Earth. Many, when listened that song of "Una Nueva Oportunidad", were touched and immediately thought about that the message of the song, could be transmitted to many places, taking him to make differents appearances in several radio and television programs, singing live that pretty and special melody. Then, a second song was born, with the name of "Deja" ("Leave"), inspired in an awareness activity to the community, by the youthful group Juventud Mariana Vicentina of Puerto Rico. Ahead, this young, now as song writer, was dedicated to continue writing, based in themes like the Love, Romanticism and also with the idea to help others, in which he presented his third song named "Unamos Nuestras Manos" (We unite our hands), made to share a

message of conscience, and this one was interpreted with the delegation of Puerto Rico during the activities of the World Youth Day with the Pope JP II, in Toronto, Canada. More than 15 songs have been written, until several people made the recommendation to produce a CD that gathered the best ones of his songs yet. Then in the beginning of 2006 "Una Nueva Oportunidad" (A new opportunity), his first music CD was born, and, of course, the title of the CD is in honor to his first song. This musical disc included 10 original songs. The interesting thing of this CD is that was completely produced by him, in his small and limited recording studio, including only his acoustic guitar and his voice, and managing the complete process of production of art, printing, designs and then the sales. Regarding the sales, "Una Nueva Oportunidad" was directly sold to the most closed people of the singer. His music traveled outside of his island, and he listened in different cities in the United States, and in Orlando, Florida, where Carlos Daniel was interviewed "live" in a radio talk show named "Glorias Para Ti", in Salsa1030am. Although it's classified like Pop, Ballad and a some of Rock, his music style is somewhat different in their rates from which we are customary to listen. Nowadays and after that first disc, Carlos Daniel prepared for us his second musical production named "Ms All" ("Further on"), a product better elaborated, with more instruments integrated to his band, and with a very special touch, including romantic songs that of course, you will be able to share with that so special being that you have to your side. Carlos Daniel, a special young person who of course with his music, will make you feel like which you are, a special being who always go "Ms All". (2007 Danny Entertainment Music) Tags: pop
