

Mp3 Carol Mann - 2012 A.d. The Big Picture, Vol. 2

[DOWNLOAD HERE](#)

Drawing from the Mayan and Hopi prophecies for our times, scientific discoveries and her own clairvoyance, Carol Mann reveals a big picture perspective about the shifts going on in our lives and the world, including practical techniques to evolve. 10 MP3 Songs in this album (47:06) ! Related styles: SPOKEN WORD: Educational, SPOKEN WORD: Inspirational Details: ABOUT CAROL'S CD: "2012 A.D.The Big Picture" Actual Mayan Prophecy: On December 22 or 23, 2012 time as we know it will end. Carol Manns lively double CD set draws information from converging prophecies of the Hopi and the Maya, recent scientific discoveries, decades of teaching and her own clairvoyant insight, to explain the big picture of all the changes we are experiencing right now. This is a thought-provoking, intelligent look at whats happening and what may happen in the years to come. Carol Mann offers a unique, positive look about 2012AD. This is not about gloom and doom; it is a balanced exploration of what this all means. Her perspective is that the major shifts in our lives, our world, on our planet and in our solar system are setting the stage for an unprecedented evolutionary leap for humanity. The first CD synthesizes the many sources of information, putting the pieces of the puzzle together. The second CD includes additional insight plus a series of seven practical exercises to upgrade our lives and evolve with more grace and ease as we move toward 2012 and beyond. ABOUT CAROL MANN: Carol is a Harvard University trained educator whose work brings together knowledge from her professional career roles, a lifelong study of metaphysics, a love of things spiritual and the gift of clairvoyance. She is the producer of Cosmic Caf Radio and offers workshops, consulting and clairvoyant readings for individuals, groups and businesses world-wide. Her website is: yourcosmiccafe.com.
