Classically driven indie music reaching for the stars. 3 MP3 Songs in this album (11:24) ! Related styles: POP: Dream Pop, ROCK: Experimental Rock People who are interested in Pink Floyd Muse Arcade Fire should consider this download. Details: Fires of Atlas matches experimental imagination with solid rock sensibilities, drawing influence from such divergent artists as Arcade Fire, Audioslave, Serj Tankian, and Pete Seager. Their songs have been featured on MTVs The Hills and Real World XX: Hollywood under their previous name Luma, as well as receiving spins on over 100 college radio stations across the country. Fires of Atlas formed in Oklahoma City in 2005, released a self-titled EP in 2006, and spent the better part of 2007 playing the regional circuit in Texas, Arkansas, Missouri and New Mexico before taking a touring break in the winter of 2007-08 to focus on writing for a new recording project. Fires of Atlas' current EP marks a new direction for the bands sound as they enlisted Jarod Evans to produce the record at Blackwatch Studios in Norman, OK. According to Stephen, On our first EP, we let ourselves be too limited by our influences and by conventions of normal pop structure. Now we feel like weve found ourselves, and were just writing music that we love.
