Details: Humilit ! Humilit est le mot que nous retenons de ce Volume n1 de The Friendly Island Rythms.
Parce que pour ceux qui en ont, a les rend encore plus talentueux. Et des talents, notre Friendly Island en regorge ! De tous ages, de toutes origines, cest l encore une des particularits de notre belle le aux 70 nationalits ! Ce sont quelques un des nombreux styles que nous retrouvons au travers de ces 12 chansons ,pour un calypso amoureux, une Samba do Brasil , ou pour faire vibrer les Dancehalls. Mais quil a t difficile de devoir choisir seulement 12 Musiciens parmi tous ces talents, puis encore de devoir ne garder quune seule de leurs excellentes compositions. Ca nous annonce un Volume 2 trs prometteur !
Cest pour tous cela, amis Artistes, que nous vous adressons notre plus humble gratitude : Bravo et Merci. Humility! "Humility" is the word which to remember after The Friendly Island Rythms Vol.# 1.

But how difficult it was to have to choose only 12 Musicians among all these talents, and once again to have to keep only one of their excellent compositions.
