Kim and I have been friends for a few years now and I knew she was a formidable bassist but had no idea what a great song writer she was/is. 'Through The Eyes of a Child' is Kim Ciara's musical jewel box filled with many brilliant gems. Beginning with the Latin Bolero of 'The Prayer of Jabez' to the funky groove of 'From Here I See You Clearly', Kim's musical jewel box will bring pleasure to your ears and heart. I highly recommend this CD to all." Kim Stone, bassist (Spyro Gyra, The Rippingtons)
