

Mp3 Mercurine - Music Is Chemical

[DOWNLOAD HERE](#)

Introspective but edgy, lush electronic melodies mixed with a wall of guitars and effects. Songs shift emotionally from fragile to fierce. 13 MP3 Songs ELECTRONIC: Pop Crossover, POP: New Wave

Details: Mercurine is edgy electro rock with introspection. Dreamy synths interwoven through a wash of guitar feedback ride a pulse of heavy beats to create a lush background for distinctive vocals. The lyrical meanings come from within; frequently personal, often social, always emotional.
