With a delightful, exquisitely crafted collection of positively inspiring songs that appeal to ones intellect as well as the desire to get out on the dance floor, His roaring melodic guitar solos touch the very soul of the listener. When listening to this collection, be ready to travel from the city to the islands,to the heavens. Get ready for some music that ranges from hot-latin, reggae, funk to some smooth jazz and R B flavored rock, all done with Paul's unique sensual style. Paul Bullard's unique sound is the result of years of playing in clubs, parties, and parks on Cleveland's tough eastside ethnic neighborhoods. His music has evolved into something that everyone can enjoy regardless of age or race. Paul is also an extra type actor. You can see his face in such movies as Antwone Fisher, and Against the Ropes.If you need hosting for a website ewshost.netThis is my host and webmaster and they are very good.
