Related styles: WORLD: World Fusion, NEW AGE: Progressive Electronic People who are interested in Thievery Corporation A.R. Rahman Caf Del Mar should consider this download. Details: Transition is a global musical journey. Strong, playful and subtle themes interweave drawing inspiration from Australia to Indonesia, Japan, India, Africa, Europe and the Middle East. Contrasting often uplifting, emotional and visual like cues make the music very listenable as well as very filmic. On the CD sleeve each music track is accompanied by a painting and notes in English, French, Japanese and Spanish highlighting a world in transition and dedicated to positive change and optimism. A selection of these paintings feature in the USA publication 'Musicians As Artists', an international collection of visual art by contemporary musicians including Miles Davis, John Lennon, Yoko Ono, David Bowie, Ringo Starr and Carly Simon. The album has been used by filmmakers, music sound libraries and airlines. Peter Westheimer has composed music for 5 albums, two feature films, many television documentaries, theatre, art installations and acclaimed video clips. He combines many genres of music from World Music to Electronic to Soundtrack to Ambient/Classical[both Eastern and Western]. He uses music software, keyboards, electric guitar and vocals to record and produce most of his works having performed previously in band ,on sitar, and violin in the Australian Youth Orchestra. Transition [with videoclip to the track 'Big Living']and the following CD Balance [1994] were released successfully in Australia, Japan and the USA.
