Strength For The Journey includes 12 secular and Christian songs that encourage the listener to "dream high", move forward and seek Christ's peace. In today's turbulent world, there is clearly a need for this hope-filled and spiritually uplifting music 12 MP3 Songs GOSPEL: Contemporary Gospel, EASY LISTENING: Soft Rock Details: With a professional background that included years as a music teacher and Christian singer, Rene Bondi was equipped with the tools to effectively share her story and God's faithfulness with millions. Rene's retelling of the events leading up to her bizarre accident, the role God continues to play in her life, and the commitment of her family leaves audiences inspired and spiritually uplifted. Rene's recordings are enhanced by her vocal talents, a gift she enjoyed long before her accident. Prior to her injury, Rene earned her degree in Music Education and was recognized as "Teacher of the Year" at San Clemente High School where she taught vocal music. Rene also performed with the Oregon Bach Festival Chorus, the California Bach Chorale, the Los Angeles Master Chorale and was selected to be a member of the choir representing the United States at the first World Symposium on Choral Music in Vienna, Austria. Even though the doctors said would never sing again, her voice was miraculously restored with a crystal clear, angelic sound. Since her accident, four CD's have been recorded. More than 150,000 copies have been sold...moving the hearts of many.
