Melodic pop/rock with a deeper roots rock edge, Robin Kroupa, creates a style all her own. A solo artist by nature, yet on this CD, Robin, enlisted musicians to enhance her sound for a fuller bodied experience. Check it out. 5 MP3 Songs ROCK: Roots Rock, POP: Power Pop Details: Robin Kroupa has been writing songs since the age of 11. She considers herself a singer/songwriter, and rhythm guitar player. On her current 5 song CD, she ventured out, enlisted musicians and produced a fuller sound, from her folkier/rock roots. She has sung, written and performed in rock and fusion bands over the years, as well as combined her talents in three singer/songwriter collaborations. She now sings and plays locally at coffeehouses, and local events in the Chicagoland area. Predominantly her focus is on writing songs - solo style - which has always been her truest passion, yet she remains open to the experiential process of collaborating as well. Her first song on the CD - ' Code of Silence' is in pre-production for use of in a show with a Chicago dance troop.
