

Mp3 Signed To The Streetz Entertainment - Hip Hop/rap: Rap

[DOWNLOAD HERE](#)

Before you can be signed to a label, you have to be Signed to the Streetz... 22 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hardcore Rap Details: Signed to the Streetz Entertainment corporation Is a record label that focuses on unsigned and independently signed artist that are looking for national exposure. We are known for being the ambassador to the streetz priding ourselves for protecting the artist best interest. Signed to the Streetz has developed a networking system that is only in comparison to the World Wide Web. With affiliates in most of the 50 states providing us with access to many stages across the country. Our data files include alliances with promoters, producers, managers, record labels, entertainment agencies, radio stations, TV networks, and most genres of music. One of our many mottos is If you do not tell us your problems, we cannot solve them Signed to the Streetz has provide platforms solely for artist recognition, By providing an album series that will cater to only the best artist in the country Then choosing only the elite from the best to hit different stages across the land the soldiers are the artist and our weapon of choice is unity. We will be forever dedicated to organizing and taking back control of the game because before you can be signed to a label you have to be signed to the streetz!! Yours truly, Dwayne Peay/C.E.O.
