

# Mp3 Stefan Tischler - City Of Dark

[DOWNLOAD HERE](#)

A soundtrack for a proposed film with an Orwellian theme, this recording uses digital and analogue sound sources to portray the action of the plot as well as the interior states of the protagonists. 18 MP3 Songs  
ELECTRONIC: Soundscapes, NEW AGE: Ambient Details: This was made from an actual treatment for a film that reflected elements of storylines later found in films like "1984", "Blade Runner", "Dark City" and "Gattaca". The action takes place in a near future city. The music uses melody and sound sculpture to underscore both the setting and plot twists and emotional inner states of the hero and heroine.
