For all its retro charm this CD is decidedly contemporary, each song a rare gem in a pop music treasure chest. 14 MP3 Songs POP: 60's Pop, POP: Power Pop Details: Sun's current CD "Inquire Within" was produced by Daniel Wise (Joan Osborn, Wu Tang Clan, Maceo Parker, European Grammy winner Marie Frank, Andy Partridge (XTC), Dave Hunter (Counting Crows), James Taylor, Ke, Chynna Phillips, 22 Brides, Ani DiFranco and many more (theshed.us). This CD was released in Japan on Air Mail Recordings (airmailrecordings.com) as "It's A Smiley Face World" and has received rave reviews in many magazines including Amplifier and NineVolt. "I Wonder How I Know" received the grand prize in the Onion River Radio Songwriting Contest in August 2002. "It's A Smiley Face World" received a 3rd place in the John Lennon Songwriting Contest in the children's category in January of 2003. Sun is also an accomplished songwriter in many styles including Country, Dance, Pop, Rock, R&B, Adult Contemporary Swing. As an artist Sun has also worked with Robert Victor as 100th Monkey whose approach is Europop(Synth Pop)/New Age. The uptempo songs are eclectic electronic Europop post modern dance (huh?) while the ballads are New Age/AC. 100th Monkey's spiritual material is on sale here at CD Baby: [cdbaby.com/cd/100thmonkeyrock](http://cdbaby.com/cd/100thmonkeyrock). Sun's on air jingle credits include Nick At Nite's famous "Hello Out There From TV Land" campaign, which ran from 1991 through 1997. The 'jewel in the crown' of that campaign "Beautiful Place" won the prestigious silver BPME award in 1992. Other jingle compositions include a number of station ID's for TV Land, "Dey All Over De Floor (The Rug Rats)" for Nickelodeon, "Rockin' Our Dreams" for Club Disney and the banner jingle for PlayHouseRadiothe aforementioned children's music site. The jingles can be heard on Sun's website in the music section at [sunpk.com/music/menu.htm](http://sunpk.com/music/menu.htm) Also a talented abstract painter and graphic artist among other things, Sun is a coffee table book waiting to happen. See why at his colorful, unique and often hilarious websites.
